

# MUSICAL PERFORMANCES ON DEMAND

---

## PRESENTATION AND CONTENTS

---

Would you like to close a major event in style and in a prestigious place, offer a surprising performance to your customers or celebrate a particular event? We offer our services for the realization of an unforgettable evening under the sign of music. We will match your expectations to correlate the theme of your event by adapting the concert according to the target audience. For this purpose, we will highlight artists with a resounding notoriety.

### PRACTICAL MODALITIES

We offer a «custom-made» and «turnkey» concert including following supports:

- > **Artistic approach:** research and writing of the musical content in accordance with the customers's expectations.
- > **Selection of artists:** singers, musicians, interveners...
- > **Financial and administrative management:** drawing up contracts (artists, show location, stage-manager), insurance, declarations to social organizations, regulations...
- > **Management of human resources:** management of the production team and technical staff.
- > **Logistical coordination:** domestic and international travel, accommodation, catering, visas, rental of concert hall and sound & light equipment...
- > **Communication:** internal and external
