PREPARATORY CYCLE IN ACCOMPANIMENT GUITAR

During this cycle, you will learn how to form chord sequences, by reading the different ciphers and notations, and in ear accompaniment. Specially designed for classical guitarists wishing to learn the accompaniment guitar in general, this cycle will prepare guitarists for the entrance to the Brazilian guitar course, and will allow them to follow the master classes and trainings of choro and Brazilian music, just as it will make available to them the study of popular, jazz and world music.

DURATION OF THE PREPARATORY CYCLE

- > 1 TO 2 YEARS

FREQUENCY

- > 2 H PER MONTH OR 20 H IN TOTAL

DAYS & TIME

DAYS	TIME
