

A NEW STOPOVER IN THE MEDITERRANEAN FOR IIMM STUDENTS

More than ever, the IIMM deserves its name : year after year, its network of students, teachers and partners has grown, and its teaching now reaches far beyond our borders.

MARCH 9TH TO 14TH | MASTER-CLASS | GREEK AND ASIAN SONGS

In the superb setting of Thessaloniki, **Ms Maria SIMOGLOU**, IIMM artist/teacher, offered her students from all over France and Greece the opportunity to improve their skills by immersing themselves in the environment and culture of her native country.

For her master-class devoted to Greek and Asia Minor songs, **Ms Maria SIMOGLOU** was surrounded by renowned artists : **Mr Evgenios VOULGARIS**, lecturer at the University of Arta, who spoke on the theme of « Modes and improvisation », and **Mr Yiannis DIONYSIOU**, who offered a course in « Singing and vocal improvisation ».

Six days of teaching in Thessaloniki with **Ms Maria SIMOGLOU**, **Mr Evgenios VOULGARIS** and **Mr Yiannis DIONYSIOU**, followed by two concerts, brought together IIMM students from all over France and Greece.

It was also an opportunity for **Maria SIMOGLOU** to intervene in primary classes at the French school in Thessaloniki.

JANUARY 2024 | SOMETHING NEW FOR THE CERTIFYING AND DIPLOMING COURSE IN SONGS FROM GREECE AND ASIA MINOR

The pedagogical programme has been enriched by the arrival of **Ms Maria KANAVAKI** (Cretan music and Greek polyrhythm), **Mr Arthur RENDU** (music theory) and **Ms Maria ZOPOUNIDIS** (Greek language). It's a unique formation within the Institute !
