**FOREWORD**

> A minimum of 10 enrolments\* is required to open each course. Courses will only start once the quota has been reached. We therefore invite you to come back to us regularly to find out how enrolments are progressing.

> The teacher sets a timetable which is subject to change. If the teacher plans to postpone a lesson, he/she undertakes, by mutual agreement with the students, to make up the time in order to respect the 100 hours of teaching per year.

> Each speaker's schedule is regularly updated and can be consulted on our website.
